Grady-White has introduced a new center console, the *Fisherman 216*.

She accommodates 8 people and there's a head in the console. The aft jump seats have topside and backrest cushions, and the seats provide more than two feet of space width-wise.

There's lounging space forward on the Grady-White *Fisherman 216*.

The center console is available with a T-top or a standard windshield. For helm seating, the standard layout includes a lean bar with backrest, flip-up bolster, footrest, tackle trays, lockable storage and four rod holders. The upgraded helm has a deluxe lean bar, which includes a 25-gallon livewell.

When it comes to electronics, the *Fisherman 216* accommodates a display up to 12 inches.

Quick specs: The fishing tender has a 8'6" beam and has an LOA of 21'3". Draft is 16". Max hp is 250.

Color options: There are 6 hull color options in gelcoat, and two in paint.

The aft seating backrests pivot, allowing easy entrance and exit.
