## Happy Thanksgiving

Autumn adventures in beautiful British Columbia.

More style, features, and interior space than any other center console of its size.

### The New Canyon 386

Grady-White's newest center console, the *Canyon 386*, exceeds all expectations with its expansive deck and spacious cockpit, roomy bow with luxurious seating, and true weekend cabin with a separate head with shower. But this boat just isn't about beauty. The extra wide beam and deluxe 4-seat lean bar make this boat a fishing machine!

### Approach the Dock with Confidence

Navigating around a busy dock doesn't have to be intimidating. Watch this informative video, spend a little time practicing with your crew, and the next time you decide to stop at a crowded dock, you can do so with confidence.

### Blessed to Own a Grady

After traveling to the Bahamas to relax and fish with their first Grady and the Gulfstream Grady-White Club, Randy and Linda Brown were hooked. Through fun, exciting trips and making lifelong friends who are like family, their Grady gave them hope for the future in the most difficult times. Now, this couple is Grady for life...

### Condition Your Boat's Moving Parts

Over time, pull up cleats, ski pylons, and ladders can get sticky, losing their ability to glide up and down with ease. Prevent yourself and your crew from having to wrestle with these parts by periodically applying a graphite or dry silicone spray.
