

# Dock Lines

Your connection to *The Grady Life*

## Happy Holidays to Our Grady Friends and Family!

Wishing you all the peace, joy, and happiness that the holiday season brings. As we think back on the past year, we reflect on how much our wonderful customers mean to us. With much anticipation, we look forward to the coming year and sharing all the fun and excitement that "Living The Grady Life" brings to us all.

### Know Your Knots

Having an arsenal of knots to choose from will keep you prepared for any situation that arises. From tying to a piling to putting multiple lines on a cleat, these simple knots will have you looking like a pro at the dock. If it's cold where you live, it's a great time for you to practice or teach young crew members.

## Preparing for Long Offshore Trips

Long runs to the canyons, Gulf, or any offshore area known for its fishing success hold the promise of exciting tales and great catches. With any long-distance offshore trip, whether fishing or cruising, it pays to be prepared. No matter where you're going, this experienced angler's suggestions will help you get there and back safely.

### Santa's New Sleigh

Santa takes a whirl on his new sleigh to fill his bag with something other than toys in this Grady-White rendition of "The Night Before Christmas." May your Christmas "catch" exceed your expectations, whether in reality or in your winter dreams. Most importantly, may your New Year be filled with many beautiful days on the water in your favorite boat – a Grady-White, of course!
