## From Maine to Bermuda—Four Generations Continue Their Grady Traditions

While Bob Shea's 25-year naval career took his wife Tracey and sons RJ and Andrew to different ports of call around the world, they instilled a love of boating in their sons. But it was one summer at a family reunion in Maine that the family's passion for Grady-White boats was forged. Years later, their love for boating continues as they fully embrace *The Grady Life*.

### Sporty, Stylish, and Family Friendly – The New 231 Coastal Explorer

Built on Grady-White's legendary SeaV<sup>2</sup>® hull, the 231 is a smaller version of customer favorites, the 251 CE and 281 CE. Packed with the best features of both boats, this downsized version is just right for the fishermen that want to fish the shallowest waters or the family that enjoys a day at the local sandbar. Whatever the adventure holds, this boat is ready for it!
