

# Dock Lines

Your connection to The Grady Life.

## Continuous Improvement for You

True to the continuous improvement culture at Grady-White, our 2025 model year lineup features several model upgrades including the ever-popular *Canyon 326*. An all new glass windshield fully integrated into the T-top provides better sight lines and more protection from the elements. Take a look at the sleek profile of this popular model.

## Protect Your Investment

Your boat's marine vinyl works for you in ways you may not realize! Plush diamond seating adds comfort. Curtains protect you from the elements, keeping you dry and warm on chilly days. Vinyl covers preserve your boat's gel coat and cushions from the sun's damaging rays. All three are investments you'll want to take care of. Follow these tips to maintain your boat's vinyl for many years of enjoyment.

## Boating Folklore

Whether you're an old salt or new to boating, you've probably heard at least some of these myths and superstitions. However, do you know the stories behind them? Get the details on these ancient boating beliefs, then decide for yourself if you'll comply or take your chances the next time you leave the dock.
