

Grady-White Freedom 345: A New Standard for Dual-Consoles

We here at Center Console Life were ecstatic to attend the unveiling of the Grady-White Freedom 345 at the 2024 Fort Lauderdale International Boat Show, Standing as a prime example of why dual-console boats are so highly regarded.

This 34-foot vessel combines exceptional craftsmanship with meticulous attention to real fine detail, offering a feature-rich design that sets a new standard for what's possible in the 34' class.

The Grady-White Freedom 345 features impressive dimensions, with a length of 33'6" (10.21 m) and a beam of 11'7" (3.53 m), providing a stable and spacious platform for both cruising and fishing. Bridge clearance stands at 9'5" (2.87 m).

Freedom 345 34' DUAL CONSOLE

With a maximum horsepower rating of 1,050 HP (783 kW) and a standard fuel capacity of 293 gallons (1,109 liters), it can handle the triple 350 Yamaha Four-Strokes with no problem. The triples will grant a top speed of 56.2 MPH at 6100 RPM, and smooth cruising at 30.5 MPH and 3600 RPM.

An XTO Offshore® 450 Twin option is also available.

Additionally, the 345 features a well-appointed compact wet bar with a refrigerator and sink, VacuFlush® head, ample storage, along with all the amenities one might need for extended adventures.

We look forward to performing a full test in the near future!
