

Dock Lines

Your connection to the Grady Life.

Docking with Helm Master® EX

Docking is a breeze with Helm Master EX with full maneuverability. With the touch of the joystick, you can easily maneuver into the tightest spots at the dock. This video demonstrates how Helm Master EX eliminates the anxiety of docking your boat—just one of many features Yamaha’s cutting edge system delivers. Visit our YouTube channel for this and more helpful How-To Videos.

Share Your Plan

Whether your trip away from the dock is a few hours or a few days, always let someone know where you’re going. A float plan is a simple leave-behind document that gives you and your family peace of mind.

Coast Guard Approved

Safety is at the heart of every boat we build. Let this Grady fan share with you his experience, what the Coast Guard has to say when they board his boat, and why he’s comfortable with his family onboard.

Have it All With the 231

Randy Vance, veteran boat reviewer, reporter, and avid fisherman, is here to show you the Grady-White 231 *Coastal Explorer*. A superior boat for inshore fishing or sandbar hopping, the 231 checks all the boxes. With more features included than competitive brands, you’ll get the best in comfort, luxury, and fishability on this exceptional boat.
