Another Grady-White Innovation

The *281 Coastal Explorer* is sporting a new windshield, the latest Grady-White innovation focused on enhancing our customers' boating experiences. Sleek and aerodynamic with a sports car-inspired profile, this revolutionary new curved glass windshield is aesthetically pleasing while improving sightlines at the helm.

Delivering the Ultimate Boating Experience

Growing up in a family passionate about boating and now instilling that same joy in his children, Senior Product Designer Christian Carraway explains Grady-White's design philosophy and what that means to owners. Learn more about how the team has dedicated themselves to making sure you have what you need on the water so you can enjoy every moment creating lasting memories with family and friends.
